

Nearly 100 students met for a citywide Cru High School gathering from 4 Orlando campuses. Lorna ministers at University H.S. as a Cru staff member and as a track coach. Two came to faith in Christ.

Below are pictures of students sharing their testimony of faith in Christ and games they played during the outreach.

Pictured @left below is Lorna speaking to 184 women sharing about the Athletic Training Academy that ministers to H.S. athletes and their families that are homeless or in unstable environments. Twelve women responded to volunteer as either tutors or life skills mentors.

Dirke has been recruiting seminary trained coaches for our Missionary Staff Training Cru holds in January. Dirke helps leads the theological training. **We expect record numbers, possibly as many as 200 this January will join Cru.** More will join us this summer. *Dirke teaches our staff how to study the Bible and how to teach and minister in their ministry contexts.* These staff will be sent to all parts of the world. Dirke is also facilitating an online missions class with nine of our new Korean missionary staff ministering in L.A. & NYC.

In addition, **Dirke leads Cru's team training for Executive ministry teams.** This past week Dirke helped lead two days of workshops with our **Inner-City Executive Team** as they seek to be more effective at ministering to those who are underserved and in serving urban churches who minister in our major cities across the nation.

What God Did this Summer through Mission Trips Around the World

190 Teams were sent out with 3,103 participants resulting in 68,709 spiritual conversations. 4, 628 people made faith decisions to trust Christ as their Savior. Praise God!

Lorna meets weekly with Kimberly Torres (at left) and others as they make assessments for thousands who are homeless in Orange County. The experience Lorna gains will help her develop the Academy.

We are so proud of our son-in-law Matthew Miller (at right) with Alyssa and their three children who attended the National Congregational Medal of Honor convention. A monument was unveiled with his name on it. It was attended by state politicians and school district leadership for his "above and beyond" display of heroism saving many people who had plunged into the Mississippi River while in their cars when the bridge collapsed ten years ago in Minneapolis, MN.

Gordon & Danelle and Titan visited us for a few days. It was a fun time. Titan is 10 months old and growing fast.

We so appreciate your gifts and prayers. Without you we would not be able to impact a new generation for Christ. Thank You!
