

We had the privilege of being asked to be the keynote speakers for Cru's college ministries at Univ. of Wisconsin and nearby campuses during their Fall Getaway Retreat, Oct. 5-7<sup>th</sup>. More than 200 students attended. Lorna is speaking below on left and Dirke below on right.

Scott Roe is the director. He and his wife Bonnie were students at the Univ. of MN when Lorna and I disciplined each of them. They have ministered for nearly 25 years sending hundreds into the mission field short and long term. **Their legacy is a fruit of our ministry, and a fruit of your generosity and prayers.** Thank You for making a difference!

### MORE FRUIT

Mike Fujimoto and his new wife Rose (left) had dinner at our home recently. Mike posted the following on Facebook: ***BLESSED by the life, marriage, and ministry of this couple...Dirke & Lorna Johnson! Lorna coached me while I was a college student serving with The Impact Movement, Cru's African American partner ministry. I had much to learn from her leadership about what it means to lead out of having a vision for discipleship. Rose and I are now new staff with the Epic Movement, Cru's Asian American ministry. We are blessed by leaders like them!***

Our three daughters and their families gathered for a few days together here in FL. A sweet **FAMILY** time!

### 3 KINDS OF FOOLS

A few weeks ago Dirke preached a message titled 3 Kinds of Fools from Proverbs 3:5-6 *"Trust in the Lord with all your heart and lean not on your own understanding. In all your ways acknowledge Him and He will make your paths straight."* **Which kind of fool are you?**

**Fool #1 – Acts without thinking**

**Fool #2 – Acts based on their own thinking**

**Fool #3 – Acts based on the wisdom of God.**

Listen to Dirke's message and hear him share how many of the choices that Dirke & Lorna have made with their family were thought foolish by others, but the wisdom of God is seen as foolishness by the world. **Open this link:** <http://www.questpc.org/listen/> and then click 3 Kinds of Fools.
